

# A New Era in American Air Power

## Performance: More than just a piston

Over a million dollars, thousands of man hours and years of research went into creating a completely new system: **Nitro Piston 2.**

More speed, more power, and more range wrapped in a package that shoots smoother, is quieter than ever, and requires less effort to cock—up to a 10 pound reduction in cocking force.

All topped off with an upgraded precision trigger that breaks crisp and clean.

Only Crosman could build it and we're doing it right here in America.

## MORE SPEED

Nitro Piston 2 is 55% faster than coiled spring-powered airguns and 15% faster than simple gas pistons.\*

\* .177 caliber

## MORE POWER

Nitro Piston 2 has the punch for bigger game at twice the range of simple gas pistons.

## SMOOTHER SHOOTING

Friction and vibration are vastly reduced with new patent pending technologies.

## Benjamin® Trail Nitro Piston 2 Air Rifles

The top-selling Benjamin Trail break barrel air rifles are the first in line to be recreated with the new Nitro Piston 2 system featuring an upgraded powerplant and all-new, enhanced two-stage trigger.

The new Trail guns shoot 15% faster and deliver more energy with double the effective shooting range of the original Trail series. All in a smoother-shooting gun with less vibration, less recoil, and up to a 10-pound reduction in cocking force.

The Benjamin Trail rifles also include an integrated sound suppression system that makes the gun quieter than ever.

And every gun is put together by American workers in our manufacturing headquarters in Bloomfield, New York.

- Nitro Piston 2
- All-new, enhanced two-stage trigger
- Precision rifled steel barrel
- Integrated sound suppression system
- Picatinny mounting rail
- CenterPoint 3–9x32 mm scope
- Assembled in America

# JIM SHOCKEY

WORLD-FAMOUS HUNTING OUTFITTER

## LEGACY

Create new memories with a Benjamin Jim Shockey Signature Series air rifle—an effective choice for small game hunting, target shooting, or simply rekindling the adventures of your youth.

- Features patented Nitro Piston power plant
- Synthetic, ambidextrous stock with over molded inserts for firm control and adjustable height comb
- Barrel-integrated sound suppression system

- CenterPoint® 3–9x32 mm scope with adjustable objective and range-estimating reticle
- Adjustable, two-stage trigger
- Rifled steel barrel
- Picatinny mounting rail
- Sling mounts

**32003** .22 cal., 950 fps, 21.0 fpe  
**32001** .177 cal., 1200 fps, 18.0 fpe

# VARMINT POWER PACK

## NEW Benjamin Varmint Power Pack

The Benjamin Varmint Power Pack has everything you need to ruthlessly eliminate squirrels, raccoons, and other nuisance animals. This .22 caliber break barrel is powered by Nitro Piston technology and features a scope, laser and flashlight combo that lets you hunt anytime, anywhere—from day to night.

- Nitro Piston powered, single-shot
- Precision, rifled steel barrel
- Ambidextrous synthetic stock has a raised cheek piece
- Includes optics for hunting day or night
- Two-stage, adjustable trigger
- Picatinny mounting rail
- Rubber recoil pad

### Laser and Flashlight Kit Features

- Recoil-proof 90-lumen LED flashlight and red, Class IIIa fast acquisition laser
- User configurable with push on/off or remote tape switches
- Improved night vision with red, flip-up filter
- Great MSR accessory with Picatinny mount

**BVNK92SX** .22 cal., 950 fps, 21.0 fpe

### Nitro Piston Technology

The original Nitro Piston provides quiet power for all of your small game hunting needs. Benjamin Nitro Piston powered break barrels produce 70% less noise than spring powered airguns with smooth cocking effort, less recoil and less noise.

#### Benjamin Trail NP® XL Magnum

# Marauder

Benjamin Marauder Airguns have become the go-to guns for predator and small game hunters. Game as large as turkeys, fox, feral hogs, and coyotes are no match for the Marauder's relentless accuracy and quiet power.

Now, the **all-new** Marauder air rifles have been redesigned to take PCP performance to the next level.

The Marauder is available in all-weather synthetic and classic wood stock versions.

## The all-new Benjamin Marauders feature:

- Rifled barrel for pinpoint accuracy
- Up to 30 effective shots per fill—a 20% increase in shot count
- Shrouded barrel with integrated resonance dampener
- Adjustable, raised comb cheek piece
- Ambidextrous bolt handle
- Re-balanced stock
- Optimized trigger positioning

### A. **NEW** Benjamin Marauder

**90 Cubic Inch Charging System Cylinder**

- Portable 15" size
- Provides from 7–25 fills
- Weighs less than 5 lbs.
- DOT certified

81001

**CO<sub>2</sub> Fill Adapter**

Attaches gun to CO<sub>2</sub> tank.

FAH001

**Dual Fuel® Fill Adapter**

Works with high pressure air bottle as well as CO<sub>2</sub> tanks.

FAH002

**Scuba Yoke Adapter**

Features a quick connect fitting for filling your PCP gun from a scuba tank with K-style valve.

FAH003

**Scuba DIN Adapter**

Features a quick connect fitting for filling your PCP gun from a scuba tank with DIN-style valve.

FAH004

**ASA Adapter**

Connects bulk CO<sub>2</sub> cylinders to Benjamin and Crosman PCP airguns. Screws into the CO<sub>2</sub> fill station or CO<sub>2</sub> lever fill station. Features a 1/8 inch threaded connection for attaching the quick-disconnect/foster fitting. Included are the tank o-ring and quick-disconnect fitting.

FAH005

**CO<sub>2</sub> Fill Station**

The fill station attaches to a common bulk CO<sub>2</sub> tank with CGA 320 valve and allows for the filling of the smaller CO<sub>2</sub> cylinders commonly used for airguns and paintball guns. Easy to use, with pin valve depressor, fill control and vent knob.

FAH006

**Adapter for Benjamin PCP Charge System**

Adapter for filling Benjamin PCP Charging System models 81001 and 81002. Intended for all tanks having a 300-DIN female fitting. The adapter has a (male) Foster fitting nipple for connecting to the fill station and a 300-DIN (male) adapter that connects to the model 81001 and 81002 Benjamin PCP Charging System.

FAH007

### Crosman Competition-Grade Airguns

Crosman's high-performance competition airguns have the features that world-class competitive shooters need and recreational shooters want. Each Crosman Airgun is designed and built to deliver the exceptional accuracy that wins championships.

Jack Stinger (15) shoots on the *Junior Shooters* magazine's team and with the Meridian Optimist Junior Rifle Club in Meridian, Idaho.

# 25 of the TOP 27

JROTC TEAMS IN THE COUNTRY ARE **WINNING** with the **CROSMAN CHALLENGER**

*"We are 100% pure Crosman Challengers... Last year we won three national championships with the Challengers..."*  
Paul Premlich, Instructor at Saint Thomas Academy

*"I have used air rifles of various manufacturers over the past 25 years. I would rate the Crosman Challenger the best of all of the sporter class air rifles I have used in my programs."*  
Jim Morgan, Navy JROTC Coach

### Challenger® PCP Rifle

Dual Fuel®—Compressed Air/CO<sub>2</sub> Three-Position, Competition Air Rifle

- Fully adjustable stock
- Two-stage, adjustable, match-grade trigger
- Hooded front aperture sight
